SPORTS

WHAT IS HAPPENING WITH A.G.P.S. SPORT?

ATHLETICS DAY

Seeing Our Amazing Skills

Athletics Day was an amazing day for all of us and it helped in keeping us healthy and happy!

We participated in shotput, discus, long jump and much more!

Athletics Day increased our health physically and mentally.

Everyone was so competitive but it was so much fun.

We hope it will be even more fun next year!

Year 2, you will be in Athletics Day next year!
